Studio Tuition 2015-2016

Make-Up Lessons

Before the beginning of each term, we will schedule all lessons at a regular weekly time. We will try to anticipate student and teacher absences due to holidays, vacations, etc., and make-up lessons will be allowed to ensure that the guaranteed number of lessons is achieved for the current term. Please note that the number of guaranteed lessons per term will vary. Make sure to review the length of each term for more details. Once the number of guaranteed lessons is reached, the teacher is not required to schedule make-up lessons for the remainder of the term.

Late Cancellations & No-Shows

In the event that you need to cancel or reschedule a lesson, you must notify me **48 hours or more before your lesson to retain the guarantee for that lesson**. This scheduling policy allows me to communicate with other students that may be able to fill your spot that day.

If you cancel after the 48-hour deadline or do not show up for your expected lesson, the guarantee for that lesson will be voided. You should carefully review your calendar at both the beginning of each term and periodically throughout the term. The updated studio calendar will be shared with all families via Google Calendar to ensure clear communication.

Tuition Rate Stability

Over the course of Summer 2015, Fall 2015, and Spring 2016, the above tuition rates will not increase. If the teacher's availability decreases due to an extended absence (e.g. long-term sickness, vacation, etc.), the above tuition rates may be adjusted to reflect reduced availability.

The teacher reserves the right to adjust tuition rates again in Summer 2016. A revised version of this document will be released in May 2016 to confirm any adjustments.

By signing below, you acknowledge and accept the tuition rates in this document and agree to pay tuition promptly for Summer 2015, Fall 2015, and Spring 2016.
